

Illumi Chair

Product Specification

The ILLUMI chair is a versatile seating option designed to provide comfort and style in various environments. Whether it's visitor areas, breakout spaces, waiting rooms, meeting rooms, reception areas or lunch rooms, the ILLUMI chair offers a practical and visually appealing solution.

One of the key features of the ILLUMI chair is its stackable design, allowing for efficient storage and space utilisation. It can be stacked up to 12 chairs high on the floor and even higher when using a trolley, making it convenient to store when not in use.
