

Omni Bariatric Chair

Product Specification

The Omni bariatric chair is designed to provide strong support and comfort for bariatric users. With its strong armrests, premium-grade foam, generous seat width of 650mm, and ultra-strong frame, it offers stability and durability. The chair has a recommended weight capacity of 350kg and comes with a 10-year warranty. Available in white or black powdercoat finishes with optional upholstered armrest padding.
