

# Rolo Laptop Table

## Product Specification

The Rolo Laptop table's single column design exudes sophistication while providing the stability you need for uninterrupted work or relaxation. Adjusting the table to your preferred height is a breeze thanks to the intuitive lever mechanism. Whether you're working from a lounge chair, sofa, or desk, the Rolo Laptop table's 75-degree angle adapts effortlessly to your seating choice and allows a work surface to be positioned at the best height possible due to its height range of 555-750mm High.
