

Zen Modular Lounge

Product Specification

The Zen modular lounge offers a perfect blend of functionality and aesthetics, making it an ideal choice for creating a serene and inviting space. Crafted with a sturdy timber frame, this lounge is built to withstand the rigors of frequent use while maintaining its elegant appeal.

The standout feature of Zen modular lounge lies in its triangular design with rounded edges, creating a sense of harmony and balance. The carefully crafted design not only elevates the aesthetics of any environment but also allows for easy configuration and reconfiguration, giving you the freedom to adapt the seating layout to suit your changing needs.

For comfort and support, the lounge is equipped with non-removable cushions upholstered in high-quality, fire-retardant foam, providing a cozy and relaxing seating experience. The upholstery is available in a wide selection of local fabrics, allowing you to customise the lounge to match your interior theme.

Zen modular lounge offers a range of modular pieces, including ottomans, straight seats with backrests, left-hand seats with backrests and right-hand seats with backrests. This versatility allows you to create various seating arrangements to accommodate different group sizes and activities.

The seating options are available in multiple backrest heights, catering to different preferences and functional requirements.
